

High School Principal Interview Questions
Parent/Teacher/Coach Team

1. Introduce yourself and us about your work experience in administration and what makes you a good candidate to be the principal at Williams Central.

2. What are your strengths?

3. How do you encourage parents to get involved at school?

4. What role do you feel parents should have at the high school?

5. How, and how often, does the school communicate with the family?

6. Do you think parents can ever be too involved at school? If yes, how would you handle such a situation?

7. Describe a time when you enlisted the help of parents to get a major program, project, or activity implemented at school. What were some of the highlights? The lows?

8. What are some ways you connect with your school community? Cite examples.

9. What do you envision teaching and learning will look like at Central and how do you communicate that vision?

10. How would you build leadership at Central?

11. What will be your “fingerprint” at Central after you leave?

12. What are some areas of teaching and learning that you can lead in the school?

13. How will you support the teachers?

14. How do you handle parent complaints?

15. How will you help a teacher who is struggling with classroom management?
